Chapel Hill Transit to Host Annual Transit Forum

Chapel Hill Transit (CHT) will host its annual transit forum on Thursday, March 7, 2013, from 5:00 p.m. to 7:00 p.m., at the Carrboro Town Hall Board Room (Room 110), located at 301 West Main Street in Carrboro. The forum provides customers and residents an opportunity to provide input on CHT's current services and thoughts and ideas about the future of public transit in the Chapel Hill/Carrboro area. Information gathered from the forum, along with feedback CHT receives throughout the year, is utilized to identify potential service adjustments and/or improvements for the upcoming year.

The forum will start with a short presentation and then the public will be invited to ask questions and share their suggestions, so attendees may arrive and depart at any time. If you are unable to attend the forum, there are several ways to share your thoughts and suggestions:
