

Donna L. Kaye, MA
Director of Learning and Organizational Development

Donna Kaye, MA, is the Director of Learning and Organizational Development at UNC Health Care. In this role, Donna manages the operations of the department and supervises seven staff members. Donna consults with executive leadership concerning cultural change strategies in support of strategic, enterprise-wide change initiatives. Additionally, she provides executive coaching to leaders at the Health Care System. She is co-chair of the Leadership Development Team as part of the Commitment to Caring initiative. Prior to becoming the Director, Donna was the Associate Director of the department. She earned a Master of Arts Degree in Liberal Studies, with a concentration in organizational change, from NC State University and Bachelor of Science in Consumer Economics from Cornell University. Donna is qualified to deliver the MBTI and the Profilor 360-degree Feedback Instrument and is certified in executive coaching as an Associate Certified Coach by the International Coach Federation. She is a member of the Organization Development Network and the American Society for Training and Development.
