

## Permit Alteration

Attention All Employees.

No Parking Permits are to be altered in any way. This includes on-campus permits, temporary permits and Park & Ride (CAP) permits.

Permit alteration is against the Parking Ordinance for the University of North Carolina. Permit Alteration can result in fines, loss of all parking privileges, up to and including dismissal.

CAP employees are reminded that the once per month permits are valid in the S11 lots for one day and the scratch-off date must be for the current month. Any S11 lot restrictions apply. The CAP once per month permit is not valid in the Dogwood Parking Deck.

Park & Ride Stickers are not valid in the Dogwood Visitors Deck before 5:00 P.M. Monday-Friday. Violators will be ticketed and/or towed.
