

## HU, NS routes modified May 13

Starting on May 13, two Chapel Hill Transit routes will be modified. The HU route will maintain its time frame from park and ride lots but will be re-routed to serve Family House and the Ronald McDonald House during weekdays. Also, the NS route will run an express bus beginning at 6 a.m. to help with overcrowding of the Hwy. 54 and Hedrick Building park and ride lots.

- **HU to serve Ronald McDonald/Family House:** This bus will still maintain its time frame from the park and ride lots but it will be re-routed to service the Family House/Ronald McDonald House during the day Monday – Friday, (with the exception of Holidays).
- **NS Express starting at 6 a.m.:** Express buses starting at 6:00 AM in the morning. This will help with the overcrowding of the Hwy 54 and Hedrick Bldg. Park and Ride lot.
