

On UNC men's home basketball game days, please be prepared and allow extra time when traveling to/from UNC Hospitals.

For weekday home men's basketball games, those with S11 permits must remove their cars from the S11 lot by 5 p.m. or risk being ticketed and towed. Employees with an S11 permit working past 5:30 p.m. on home basketball game days may come to the Hospitals Parking Office on 3 Neurosciences to obtain a "game day permit" to display alongside their S11 permit. The game day permit allows you to park in a different location on game days.

If you have any questions about parking for basketball home games, please contact the Transportation and Parking office at 966-1031.
