CHT to Make Schedule Adjustments

Chapel Hill Transit (CHT) will be implementing schedule adjustments effective **Monday, January 9, 2012**, to improve service and efficiency throughout the transit system. CHT generally makes changes to its schedules in January, May and August, in response to ridership trends, changing traffic patterns and growth in the area. The changes are:

- **S Route:** Extend the 11:06 a.m. trip from the Hospital to 54 Park and Ride, due to increased demand. This trip currently goes out of service at the Hospital.
- **NS Route:** Adjust the afternoon and evening schedule between 2:30 p.m. to 10:39 p.m. to improve schedule adherence.
- **V Route:** Adjust schedule times to better match travel conditions between Southern Village and UNC Hospitals.

EZ Rider: Will begin a weekday shuttle for seniors which will serve a limited number of senior living centers (Carolina Springs, Manley Estates and The Stratford) in Chapel Hill and Carrboro and the Seymour Center on a fixed schedule between 8 a.m. and 5 p.m. The shuttle will provide hourly connections to Carrboro Plaza and University Mall. The shuttle is a pilot project funded by a federal transportation grant program designed to help meet the needs of older adults and persons with disabilities.

New schedules will be available on the website beginning January 3, 2012, and on buses beginning January 6, 2012.
