

To College Volunteers:

Thank you for your interest in volunteering at UNC Health Care! The College Program allows students to volunteer in many areas throughout the medical complex. Students are able to explore career opportunities in an academic health care setting while helping others. College volunteers come from many different universities. Our staff, patients, and their families greatly appreciate the service provided by UNC Health Care Volunteers.

Open registration for College Volunteers is done by the school semester, with orientations after each registration period. You must come in person during registration to schedule your volunteer spot. All volunteers are required to complete orientation and follow guidelines discussed in the Student Volunteer Handbook provided at orientation. Volunteer times are assigned on a first come basis according to criteria determined by each service area. **Prior to registering, you will also need to schedule a TB skin test.** The TB test results take two days to read.

When you come to registration, please make sure you have your class schedule and are aware of times you are available to volunteer. Use good time management to ensure you are able to honor your volunteer commitment. Volunteers are expected to work at least 20 hours per semester. You are not expected to volunteer during holidays. All volunteers must adhere to the UNC Health Care's dress code policy, as well as purchase a volunteer polo shirt for \$10.

Volunteering is a wonderful experience for students to serve others in a meaningful way. We appreciate your dedication to serving the patients at UNC Health Care and look forward to seeing you at registration.

If you have questions, please contact our office at (919) 966-4793.

Sincerely,

Jodie Skoff
Student Volunteer Coordinator

Department of Volunteer Services
The University of North Carolina Hospitals, 101 Manning Drive, Chapel Hill, North Carolina 27514

APPLICATION INSTRUCTIONS COLLEGE VOLUNTEERS

- **Read the Opportunities List and select volunteer positions you are interested in exploring.**
- **Schedule and obtain a current TB skin test. Test must be less than a year old at the time of registration. It can be done at your local health department, family doctor, or student health center. If student health is unable to schedule you in time for registration, it is your responsibility to look for another healthcare provider. You must have your TB test results with you when you come to register. *It takes 48 hours to read a TB test. Student Health Center: 966-2281**
- **Return application to Volunteer Services located on the Ground Floor of Memorial Hospital during registration period. Students must register in person to secure a volunteer spot.**
- **Registration for each session will be posted at Volunteer Services and on-line at unhealthcare.org.**
- **After registration, volunteers must attend orientation. Dates are on-line and also discussed at registration.**

If you have questions, please contact our office at (919) 966-4793.

Remember to complete your application carefully and we look forward to having you as a volunteer at UNC Health Care!
