

The Craige parking deck expansion project is gearing up to start construction. The 1st level and a portion of the 2nd level of the parking deck will close for construction on Monday, 07-08-2013. See map below for the areas that will close Monday.

Employees holding Craige Deck permits will enter and exit the deck via the side and back entrances.

All vehicles and equipment needs to be removed from the area Monday.

Map of the area of the Craige deck that will close Monday.
