There will be some changes to the current status, which includes:

- Campus lots will require the display of a permit or payment for hourly/daily parking.
- Parking will be a first-come, first-serve basis in most campus permitted lots and zones after 5:00PM in unreserved spaces.
- All non-reserved permitted lots will have daytime enforcement hours of 7:30AM – 5:00PM Monday-Friday.

Temporary Night Permits will be available in the Hospital Parking Office and online at the DPS website.
